Dear Brothers and Sisters,

Kahn Insurance Brokerage Group, an official affiliate of The New Jersey State Lodge Fraternal Order of Police, provided the best advice and Insurance Solutions for Camden Lodge 218. The advice and recommendations they provided were critical in helping us “WIN” our new Union Contract’s Insurance Benefits. Kahn insurance benefits assisted us with an innovative way of structuring our contract to ensure protection for our members without a monetary loss.

They were there for us during every step of this process with advice, at a moment’s notice. I highly recommend you meeting with Kahn IBG’s innovative team to help your Lodge carve out the best Insurance Solutions when renegotiating your Union Contract Insurance Benefits.

Fraternally,

William J Wiley

President, Camden Lodge 218
